

HILBERT WOLVES ATHLETIC BOOSTERS

The Hilbert Wolves Athletic Boosters is a group of parents, coaches, staff and other interested parties whose focus is to enrich the Hilbert High School athletic community and the community at-large by providing financial support for high school co-curricular activities.

In addition to financial support, the Booster Club recognizes that participation in high school athletics benefits everyone; and the Booster Club promotes opportunities to build and strengthen relationships among all involved -- high school students, coaches, staff, parents and the entire community.
